

Changes in Access to the SC State Fire Campus

Beginning Thursday, Feb. 1, 2024, the SC State Fire campus in Columbia is implementing planned enhanced security measures, in phases, to ensure the safety of our staff, students, customers, and guests utilizing our facilities.

Upon arrival, please approach the security gate with caution. The guard will routinely stop each vehicle and inquire about the purpose of the visit. We ask for your cooperation in this first phase of security enhancements.

We appreciate your understanding and cooperation as we strive to maintain a secure environment for everyone.

Thank you for your continued support.
