

# FIRE SAFE SCHOOLS TRAINING OPPORTUNITIES

## Fire Safe Schools and 2018 Act 256

Based on the requirements of 2018 Act 256, these courses will educate School Administrators, Facility and Maintenance Personnel, and Classroom Teachers about their respective roles and power in creating a Fire Safe School environment. Attendees will gain a better understanding of the potential for fire and other emergencies that exists in the modern school. They will understand the purpose and requirements of monthly self-assessments. And they will be challenged to take action to ensure their classrooms and schools are maintained to be Fire Safe for students, staff, and visitors.
