

Introduction to the Joseph M. Still Burn Center

Collaboration between the fire service and the Joseph M. Still Burn Center in Augusta, GA is critical. During this free 3.5 hour virtual morning workshop, participants can learn what the Burn Center can do for firefighters and the community.

The South Carolina Fire Academy is hosting this virtual workshop to introduce participants to the Joseph M. Still Burn Center in Augusta. Discussion topics will cover several topics and include types of burns, pre-hospital burn treatments, fluid resuscitative measures, documentation of injuries, stem cell replacements, and packaging of an emergent amputation.

Date: Wednesday, March 10, 2021

Time: 8:30 a.m. - Noon

Virtual event: Attendees will receive an agenda and access link prior to the event.

Register: <https://fire.llr.sc.gov/Portal/Registration/registration.aspx?crsidnt=71572>

Note: *Students who are pre-registered, and attend the workshop, receive SCFA transcript credit. If you are unable to attend the live event, it will be recorded and posted for viewing at your convenience. However, if viewing the recorded workshop, SCFA transcript credit is not available.*

About the Speaker

Lisa Smith is the clinical educator for the Joseph M. Still Burn Center in Augusta, GA. Since 2016, she has been responsible for teaching the emergency community on emergency burn care for acutely injured patients.

Lisa has a background in emergency services, working as a paramedic in Augusta for more than 15 years.

She earned associates degrees in para-medicine and nursing.
