

S.C. Fire Academy Offers In-Person Fire & Life Safety Educator-I (4165) Courses

This Fire and Life Safety Educator course is for individuals who coordinate and deliver comprehensive community fire and injury prevention programs. Topics include: fire prevention history, learning styles, methods for effective teaching, public relations, high-risk populations, professionalism, developing life safety curricula, as well as evaluation and assessment. There are no prerequisites. Course fee is \$5/student.

Students who successfully complete the course receive an accredited certificate from IFSAC and an application for a ProBoard accredited certificate for NFPA 1035: Fire and Life Safety Educator.
