

South Carolina Fire Academy COVID-19 On-Campus precautions for ALL CLASSES AND EVENTS

Thank you for registering for an on-campus course of instruction. Please note that due to COVID-19, all participants should stay home if you are sick. All participants on campus MUST adhere to the following in an effort to limit exposure while on campus:

1. ***All students must complete a COVID-19 screening at the designated entrance gate for the assigned class prior to entering the campus and be documented in the screening log. DO NOT ENTER CAMPUS SICK OR IF YOU FEEL SICK.***
2. ***Practice social distancing of at least six feet distance to the greatest extent possible on campus at all times and FOLLOW DIRECTIVES ON POSTED SIGNAGE ON SITE.***
3. ***Wash hands frequently (20 seconds with soap and water) or use a sanitizer that contains at least 60% alcohol; especially after touching items such as vending machines, desks, pens, pencils, paper, etc...***
4. ***Avoid touching of eyes, nose and mouth with unwashed hands.***
5. ***Students must bring and wear a face covering when in classrooms and other public common spaces.***
6. ***Cover mouth and nose when you cough or sneeze, and throw used tissues away immediately after use.***
7. ***Avoid close gathering with other students or staff within a six-foot radius.***
8. ***Avoid touching surfaces unnecessarily. Instructors will hand out bottled water on breaks to students who desire water. Coffee pots and water fountains are shut down.***

While significant efforts have been made to limit exposure risk to students, we cannot completely eliminate the possibility of exposure; especially when these preventative measures have not been followed by each student.

Failure to follow these guidelines may result in dismissal from the course and campus with no refund to the department.
