

NOW AVAILABLE

Pre-Recorded Online Training

South Carolina Fire Academy offers free pre-recorded online training!

These three free training sessions are the first in a series taught by Jonah Smith of Hornet Fire Training. Each session is approximately 90-minutes in length and offered in two parts. Sessions can be viewed at the student's convenience.

Fire Portal registration is not required, as no transcript credit is given.

Session 1: Improving Fire Ground Communications

Session 2: The Initial Line

Session 3: Modern Fire Service Leadership

To access any of these pre-recorded online training sessions, click the following link: <https://onlinetraining.statefire.org/>

- Click "Pre-recorded Online Training"
- Enter your Blackboard username and password, or create an account if you don't have one
- Click "Login" and the course will launch
