

Statewide Instructor Training Blitz 2021

The South Carolina Fire Academy is offering a series of Accelerated Instructor Orientation Workshops (AIOW) in various locations. Most of these classes include required teach-backs (except where noted). Upon successful completion, the student will be certified to teach the course. There are three prerequisites. These include the following:

Prerequisites:

1. 4171-Fire Instructor I
2. 4174-New Instructor Orientation
3. Successful completion of the class as a student (*noted on your SCFA transcript*)

Registration is available via the direct registration links (see below), except where noted. Registration cut-off will occur, as needed. As such, we encourage you to register as soon as possible.

NOTE: If the class is no longer listed in Fire Portal, registration is unavailable. Late and walk-in registrations are not accepted.

Questions? Contact your Regional Coordinator.
