

NFPA Announces ERRS Consolidation Project

The National Fire Protection Association has announced a consolidation project of more than 100 Emergency Response & Responder Safety (ERRS) standards by 2025.

These standards include:

NFPA 1001

- Firefighter I
- Firefighter II

NFPA 1003

- Airport Firefighter

NFPA 1002

- Driver Operator
- Driver Operator Aerial
- Driver Operator Pumper
- Driver Operator Mobile Water Supply
- Driver Operator Airport Firefighter

NFPA 1072 (TBD)

- Hazardous Materials Awareness
- Hazardous Materials Operations

NFPA 1041

- Fire Instructor I and II

NFPA 1021

- Fire Officer I, II, and III

NFPA 1035

- Fire & Life Safety Educator
- Youth Firesetter Intervention Specialist

NFPA 1033

- Fire Investigator

The South Carolina Fire Academy will update its courses to the new standards by the required deadline.

For agencies that purchase student manuals for department libraries, please be aware student manuals may change.
