## CONTINUOUS DEVELOPMENT & IMPROVEMENT

In an effort to reinvest back into our instructors and provide continuous learning opportunities, the South Carolina Fire Academy has partnered with the SC Society of Fire Service Instructors to host a free Instructor Development Workshop.

### Panel Discussion:

### The Art of Developing Passionate Fire Instructors

Join South Carolina Fire Academy staff, members of the SC Society of Fire Service Instructors, and training officers from within our state for a panel discussion centered around developing passionate and devoted fire service instructors. Come prepared to learn, provide your thoughts and input, and leave invigorated to help grow and develop the next generation of fire service instructors.

Participants will take a lunch break following the discussion. Attendees are invited to return for the Society's quarterly business meeting, where officer elections will be held and upcoming goals and events for 2022 will be discussed.
