Fire and Life Safety Educator **Quarterly Training**

This course is designed to address the job performance requirements outlined in NFPA 1035 (Fire and Life Safety Educator). In addition to providing continuing education for fire and life safety educators, updates on State programs will be given and there will be an opportunity for professional networking.

This class is also appropriate for public educators who work with emergency medical service and law enforcement agencies.

NOTE: Attendees must attend 80% of class time (5 hours) in order to receive class credit.
