

Active SCFA Instructor Update: Essentials Series 7

Active South Carolina Fire Academy Instructors currently certified to teach any of the Essentials Series courses should complete an update to the Essentials 7 curriculum prior to Friday, Dec. 31, 2021, to retain certification in that program area.

The update is available as a pre-recorded video posted on the Academy's Blackboard training site. In order to access the video, instructors must register for the update via the Fire Portal. Once the roster for an update has been confirmed, instructors will receive an email with an access link to the video. This emailed link will be active for 15 days and the video may be viewed during that 15-day period. Upon completion, instructors will receive transcript credit and a certificate.

Essentials Series 7 curriculum will be made available via digital download. The access link can be obtained from your [regional coordinator](#) after the updates have completed.
