SC Fire Academy Instructor Recertification 2021

To retain active instructor certification, South Carolina Fire Academy instructors must complete an Instructor Recertification Workshop prior to Friday, Dec. 31, 2021.

The workshop is available as a pre-recorded video posted on the Academy's Blackboard training site. To access the video, instructors must register for the workshop via the Fire Portal (see links below).

Once the roster has been confirmed, instructors will receive an email with an access link to the video. This emailed link will be active for 15 days and the video may be viewed during that 15-day period. Upon completion, instructors will receive transcript credit and a certificate.
