

VIRTUAL LEADERSHIP TRAINING SERIES

The South Carolina Fire Academy presents a free *virtual* workshop centered around fire service leadership training. This live instructor-led workshop will be delivered through a virtual platform. For your convenience, the event will also be recorded and posted for later viewing.

Let's Talk: Dialogue, Not Lecture

This course is intended to shed light on different aspects of teaching in the modern fire service. Topics include the most common way firefighters learn, how to transition from lecture to dialogue, sharing of "War Stories" and how they do and do not apply, and identifying signs of burnout.

Registration Details

Date: Friday, March 18, 2022

Time: 10 a.m. - 12 p.m.

Virtual event: Attendees will receive an agenda and access link prior to the event.

Register: 8820-22-01

<https://fire.llr.sc.gov/Portal/Registration/registration.aspx?crsidnt=74004>

Note: Students who are pre-registered, and attend the workshop, receive SCFA transcript credit. If you are unable to attend the live event, it will be recorded and posted for viewing at your convenience. However, if viewing the recorded workshop, SCFA transcript credit is not available.

About the Speaker

Jerry Pera is an Engineer/ EMT with Boiling Springs Fire District in Greenville, SC. He has 10 years of firefighting experience and has been a part time instructor with the South Carolina Fire Academy for five years. He earned an Associate's degree in Applied Science in Fire Protection Technology. He teaches a variety of courses offered by the Academy, including Firefighter 1, Firefighter 2, Hazardous Materials Operations, Rescuing the Rescuer, Command and Control in the Wildland Urban Interface, Wildland Training for the Structural Firefighter, and Structural Triage in the Wildland Urban Interface.
