Executive Chief Officer Weekend

South Carolina Fire Academy
February 17-18, 2023

The South Carolina Fire Academy's Executive Chief Officer Weekend, held in Columbia, S.C., is a lecture-based conference dedicated to enhancing the knowledge and skill-set of our state's fire chiefs. There are no break-out sessions, speakers rotate in/out of the auditorium. The event includes fellowship and networking opportunities with peers and vendors.

If you are interested in presenting during this event, please complete all information and submit, with your headshot, via email to amy.williamson@llr.sc.gov no later than August 1, 2022. For the 2023 event, priority will be given to modern, executive-level presentations, case studies and lessons learned.
