

Academy Offers Virtual Mini-Series with Insurance Services Office (ISO)

The South Carolina Fire Academy is partnering with the Insurance Services Office (ISO) to present a free series of live *virtual* workshops in 2022.

These monthly, one-hour workshops will focus on:

- Visit preparation tips,
- In-depth discussion on technical topics, and
- Specific requirements for compliance in these areas.

A “Question & Answer” session will also be held at the end of each workshop with an ISO manager.
