

Virtual Offering: Reducing Opioid Loss of Life (R.O.L.L.)

Starting Monday, Jan. 1, 2024, the South Carolina Fire Academy will offer its Reducing Opioid Loss of Life (R.O.L.L.) program virtually. Each month, two free classes will be made available online, giving students two weeks to successfully complete the program.

How to Register:

Log into your [Fire Portal account](#).

- Search and register for the 1822-R.O.L.L. program.

Course Information:

Two weeks prior to the start date, Academy staff will email online access information.

- Students have two weeks to successfully complete the class.

Transcript Information:

If Academy transcript credit is desired, students must enter their six-digit SCFID at the completion of the class.

- Transcripts are updated no later than 30 days after the class ends.
- Paper certificates will not be mailed.
