Who Should Attend?

- Any instructor currently listed as "inactive" can also take the course to regain their "active" status.

Workshop Details:

The recertification workshop is offered as a pre-recorded video on the Academy's Blackboard training site. To access it, register via the Fire Portal (links provided below).

A few days before the course, an email with directions and access info will be emailed to students. The course will remain active for 15 days for viewing.
