

Discover an opportunity to expand your knowledge with SC State Fire’s series of free lunch and learn workshops. Led by our staff, these interactive virtual sessions will deliver invaluable insight and relevant information.

Students who are pre-registered and attend the workshop receive SCFA transcript credit. If you are unable to attend the live event, it will be recorded and posted for viewing at your convenience. However, if viewing the recorded workshop, SCFA transcript credit is not available.

Fire Portal: What a Fire Chief Needs to Know

Susan Duncan and Cindy Brazell, Office of the State Fire Marshal, will present and share multiple aspects of the Fire Portal that every Fire Chief (and Chief-level officer) should know. Topics include reporting requirements, key deadlines, background checks, online training reports, invoicing, and other state requirements.

Students have two opportunities to attend. Identical information will be shared during each session.
