

Discover an opportunity to expand your knowledge with SC State Fire’s series of free lunch and learn workshops. Led by our staff, these interactive virtual sessions will deliver invaluable insight and relevant information.

Students who are pre-registered and attend the workshop receive SCFA transcript credit. If you are unable to attend the live event, it will be recorded and posted for viewing at your convenience. However, if viewing the recorded workshop, SCFA transcript credit is not available.

Accreditation and Certification

The Academy’s Accreditation and Certification team, Andrela Riley and Karen Rivera, will discuss certification, reciprocity, the difference between IFSAC and Proboard, and how you can make a difference in accreditation.

For this topic, students have two opportunities to attend. Identical information will be shared during each session.
