Course Offering: Confined Space Awareness, Operations, & Technician

The SC Fire Academy is offering three Confined Space Awareness, Operations, and Technician (AOT) courses in early 2026.

This 40-hour course provides comprehensive instruction and hands-on skill development in all three levels of confined space rescue:

- Confined Space Awareness (CSA)
- Confined Space Operations (CSO)
- Confined Space Technician (CST)

The course concludes with a cumulative, accredited-level exam and skills evaluations for all three levels. Students who successfully complete all requirements will receive accredited certification for all three levels.

Prerequisite: Technical Rescue (3310)

Fee: \$90, includes lunch daily. Breakfast and dorms are additional fees, if needed.

Registration
